Scouting report: Atlanta Dream

For Golden State Valkyries basketball ops. Game: WNBA Finals - Game 7, 2026-10-31. Built from public data through 2026-10-29 (55 ATL games, regular season and playoffs).

How to guard them

1. Value the ball. Their defense forces turnovers on 19.1% of possessions (1st).
2. Wall off the paint. 42.7% of their shots come at the rim (2nd of 15 in the league).
3. Concede the midrange. Only 18.9% of their shots are midrange twos (15th of 15); force them there.

Team profile
